

Invisible Exhibition

Imagine that all the lights go completely out...

Invisible Exhibition is a unique interactive journey into the invisible world, where you can try out, how to cope in everyday situations without the help of sight – only by the sense of hearing, smell, balance... Exercise your senses! Trust us in the dark!

THE guides – blind or visually impaired – will guide you on a journey that will change your life.

Interesting? Strange? Alien? Or maybe natural? Do one hour of being blind may open your eyes?

Invisible Exhibition wants to bring the world to himself sighted and blind, and through positive experiences teach us how we can help them and how to understand them. Under the protection of blind guides visit a specially equipped and quite dark room. We will show you various real-life places. Amazing composition sounds and smells will make you forget that you're on the show ... You will experience how to navigate the urban hustle, how to pay for coffee at the bar, how to move around the house in total darkness, and more ...
