

Royal Castle in Warsaw

The Royal Castle is one of the most important symbols of the capital. The monument is not only a point where you should take a picture, but it has many attractions. It is part of the Royal Route. The building, currently in the Baroque-Classical style, as the seat of state authorities began to function during the time of Sigismund III Vasa. In turn, the beginnings of the castle date back to the fourteenth century. For several hundred years of its turbulent history, the Royal Castle has been marked by many legends. The sightseeing route includes permanent exhibitions of the Castle: the Great Hall, The Antechamber to the Great Hall, The Princes' Apartments)), the Princes' Gallery, Marble Room, Knights' Hall, Throne Room, Royal Suite, Royal Library, multimedia exhibition " The Royal Castle – from destruction to reconstruction " and interiors of The Copper-Roof Palace.
